PRAYER TO CARRY TODAY

THERE IS LIFE IN YOUR MOUTH.

Lord, put life on my tongue, and let my words feed.

Death and life are in the power of the tongue; those who love it will eat its fruit.

PRAYER TO CARRY TODAY

WORDS THAT GIVE LIFE

By evening, most of us have said a great many words. Some helped, some didn't, and a few we'd like to take back. It's easy to forget how much power ordinary sentences carry.

Proverbs puts it plainly: "Death and life are in the power of the tongue; those who love it will eat its fruit." Words aren't neutral. They can build someone up or wear them down, and the people who use them most will live with what they produce. The same tongue that can wound can also bless, encourage and heal.

Before the day ends, think of one person who needs a life-giving word. Send them a short message of thanks or encouragement tonight. Then ask God to guard your words tomorrow, so that more of them give life.
