
PRAYER TO CARRY TODAY
THE LIGHT STAYS ON.
FEAR DOESN'T.
Lord, I carried some fear home with me today.
The quiet makes it louder.
But You are my light, and the dark answers to You.
You are the strength of my life, not my nerves,
not my plans.
So I'm setting the fear down.
I'm not alone in this room.
"The LORD is my light and my salvation.
Whom shall I fear? The LORD is the strength
of my life. Of whom shall I be arraid?"
