
PRAYER TO CARRY TODAY
HE'S TURNED TOWARD YOU.
SLEEP IN PEACE.
Lord, I'm lying here and You feel far away.
I talked to You today, and heard nothing back.
I looked for You in the noise, and missed You.
Now the house is quiet,
and the quiet makes me wonder
if You've turned away from me.
But You told Your priests what to say over me:
that You lift up Your face toward me.
You haven't turned Your back.
You've turned Your face.
So I'm turning toward You too.
I'm putting down what I couldn't fix today.
Give me Your peace.
Let me sleep in it.
"The LORD lift up his face
towards you, and give you peace."
