NO GREATER LOVE.
HE DIED FOR YOU.
Lord, You gave Your life for me.
Let me live as Your friend.

PRAYER TO CARRY TODAY

NOT A SERVANT, A FRIEND

By the middle of the day it's easy to feel like a pair of hands keeping things running. Useful, maybe even appreciated, but carrying it on your own.

Jesus said these words the night before He went to the cross, and straight after them He told His disciples He no longer called them servants. He called them friends. The greatest love He could name was a life given for friends, and then He gave His own. You aren't getting through this afternoon as someone's help. You're getting through it as someone loved that much.

Before the afternoon swallows you, think of one person who has been a real friend to you, and send them a short message saying so. Then go back to work as His friend.

Lord, I've been keeping things running as if it's all on me. You laid down Your life and called me friend. Let me work this afternoon like one who's loved.
