PRAYER TO CARRY TODAY

# THE WHOLE SKY SAYS HIS NAME.

Lord, today felt small and loud until I looked up. Your name is majestic over all of it. Let me be still.

"LORD, our Lord, how majestic is your name in all the earth!"

PRAYER TO CARRY TODAY

# LOOK UP BEFORE YOU GO IN

Some days are made of small, loud things: dishes, traffic, a long string of messages, an argument about nothing. By evening it can feel like the whole world is the size of your kitchen.

Psalm 8 begins and ends with the same cry of wonder at how majestic His name is in all the earth (Psalm 8:1, 9). In between, David looks up at the moon and the stars and asks why the God who made all that would pay attention to people like us. Then he says it again. The majesty isn't only out there in the sky. It's that the God of all of it is paying attention to you.

Before you go to bed tonight, step

outside for two minutes, even if it's only to take the garbage out. Look up, whatever the sky is doing, and name one thing from today that was His.
