PRAYER TO CARRY TODAY

LITTLE FLOCK.

HE'S GIVING YOU THE KINGDOM.

Lord, You're glad to give me Your Kingdom. I'm one of Your little flock, and the whole sky is full of Your glory. I don't need to be afraid of anything tonight. I'm resting in what You've given. Keep watch while I sleep.

"Don't be afraid, little flock, for it is your Father's good pleasure to give you the Kingdom."

PRAYER TO CARRY TODAY

DON'T BE AFRAID, LITTLE FLOCK

At night it can feel as if everything depends on you: the plans, the money, the people you love, tomorrow's list. Jesus saw that in His friends, and He answered it with a gift.

He called them His little flock and told them not to be afraid, because their Father is glad to give them the Kingdom (Luke 12:32). Not lend it, not sell it: give it, and enjoy giving it. It's what heaven told a few shepherds in a field the night He was born, when the glory of the Lord shone around them and the first words were not to be afraid (Luke 2:9-10). The Kingdom has always come to small flocks first.

Before you sleep, name three things He gave you today. Then leave tomorrow's list with Him, and rest like a sheep safe in His fold.
