PRAYER TO CARRY TODAY

LET THE DAY GO UP

Most mornings start with a plan, even a small one. You know how you want today to go, and it's natural to grip it. Holding on tight can feel like the only way to keep things from falling apart.

Jesus gave His friends a different way to begin: "Let your will be done on earth as it is in heaven" (Matthew 6:10). In heaven, God's will is done fully and gladly, with nothing pulling against it. Praying this line isn't giving up on your day. It's handing it to the One whose plans are good, who can carry it further than your grip ever could.

Before you start, name the three things you're planning today. Pray two words over each one: "Your will." Then go and do them, and watch for where He takes them.

A PRAYER FOR TODAY

Lord, I want to grip today tight, like a line in the wind. Your will is better than mine. Take this day higher than I could, and let it be done.
