PRAYER TO CARRY TODAY

HE'S BREAKING TODAY'S BREAD FOR YOU.

Lord, I don't need the whole week figured out. Just today's bread, from Your hands.

"Give us today our daily bread."

PRAYER TO CARRY TODAY

ENOUGH FOR TODAY

Some mornings start with the whole week already sitting on your chest. The bills, the deadlines, the people counting on you. It can feel irresponsible to think about anything smaller than all of it.

Jesus taught His friends to ask for bread for today. Not the month, not the year, just today. He wasn't careless about tomorrow; He knew who they were talking to. Two verses earlier He says, “your Father knows what things you need before you ask him” (Matthew 6:8). Asking for today's bread is not a small prayer. It is a prayer that trusts the Giver with tomorrow.

Before you open your messages, write down the one or two things you actually need today. Not the whole list, just today's. Then ask Him for those plainly, the way a child asks a father for breakfast.
