PRAYER TO CARRY TODAY

YOUR HEART, PULLED EVERY WAY? HE POINTS IT TO HIM.

Lord, my heart keeps swinging. Settle it on You, and teach me Your way.

"Teach me your way, LORD.
I will walk in your truth.
Make my heart undivided
to fear your name."

PRAYER TO CARRY TODAY

ONE HEART, ONE WAY

By the middle of the day your heart can be pulled a dozen ways at once: the messages, the deadlines, the people waiting on you, the worry you carried in from this morning. None of it is wrong. It just doesn't all point the same way, and you feel the strain of being stretched between them.

David prayed this under pressure, and he didn't ask for fewer demands. He asked God to teach him the way and to make his heart one. The verse just before says why: “You are God alone.” (Psalms 86:10). A heart pulled every direction finds its true north in the One who doesn't change, and He is the one who settles it, not you.

Before your next task, stop for one minute. Name the thing pulling hardest at you right now, give it to Him in a single sentence, and then take the next step on His way.
