PRAYER TO CARRY TODAY

TODAY WAS TOO HEAVY.
HE'S CARRYING IT.

Lord, I couldn't carry today the way I meant to. I dropped what mattered and held on to what I should have let go. You laid down Your life with all of this already on Your shoulders. So I'm setting today down in front of You. Tonight, I'm letting You carry.

"Greater love has no one than this, that someone lay down his life for his friends."
