PRAYER TO CARRY TODAY

EVERYTHING COMING AT YOU? HE STEPPED IN FRONT OF IT.

Lord, lay Your life over mine until it stops.

"Greater love has no one than this, that someone lay down his life for his friends."

PRAYER TO CARRY TODAY

BETWEEN YOU AND IT

By now the day may feel like weather you can't get out of. One message, one demand, one comment after another, and nowhere to stand where it doesn't reach you.

When Jesus spoke of a life laid down for friends, He wasn't describing a feeling. To lay down a life is to put yourself where the blow will fall, so it falls on you instead. That is what He did at the cross, and it is still where He stands: between you and the worst of what comes. The hits you are taking this afternoon are real. They are not the whole storm. The heaviest part already came down on Him.

Before the afternoon carries on, notice one thing today that could have landed on you and didn't: a conversation that went easier, a door that held. Say thank you for that one thing, and keep going.

A PRAYER FOR TODAY

Lord, it keeps coming down on me and I can't get out from under it. Your love laid down its life for me. Cover me through what's still falling.
