PRAYER TO CARRY TODAY

TOO MANY TURNS?

HE'S MAKING YOUR PATHS STRAIGHT.

Lord, I'm turned around in here. I won't lean on my own map. You lead.

"Trust in the LORD with all your heart, and don't lean on your own understanding. In all your ways acknowledge him, and he will make your paths straight."

PRAYER TO CARRY TODAY

NOT YOUR MAP THIS TIME

Some mornings start with too many choices and no clear way through: which job, which conversation, which direction. You can spend the whole day turning corners in your head and still end up where you started.

This verse doesn't ask you to figure it all out first. It asks you to trust the LORD with your whole heart and stop leaning on your own map. The word for acknowledge means to know Him: bring Him into every part of the day, not only the hard parts. Then the promise is His work, not yours. He makes the paths straight. That doesn't mean no hills. It means a way you can actually walk, because He is levelling it ahead of you.

Before you open your phone, write today's biggest decision on a scrap of paper. Hold it for a moment, tell Him it's His, and then start the day.
