PRAYER TO CARRY TODAY

LONG WAY TO GO TODAY?

HIS BREAD COMES DOWN TO YOU.

Lord, come down into this afternoon. Give me life.

"...the bread of God is that which comes down out of heaven and gives life to the world."

PRAYER TO CARRY TODAY

BREAD THAT COMES DOWN

Somewhere after lunch the day gets long. The coffee has worn off, the list hasn't shrunk, and there are still hours to go. You're pushing through on whatever is left.

Jesus said this to a crowd who remembered the manna in the wilderness. His point was that God's bread was never something you had to climb up to and earn. It comes down out of heaven, to where people actually are, and it gives life. In the middle of a long afternoon, that is where it comes: to you as you are right now, not to a better version of you who finally caught up.

Take a real break today, even fifteen minutes. Step away from the desk or the job, eat what you brought somewhere you can breathe, and before the first bite thank Him that He comes down to meet you here.

A PRAYER FOR TODAY

Lord, I'm sitting in the shade with nothing left for this afternoon. Your bread came down over the wall. Give me enough life to finish.
