PRAYER TO CARRY TODAY

HE KNOWS YOUR NAME.

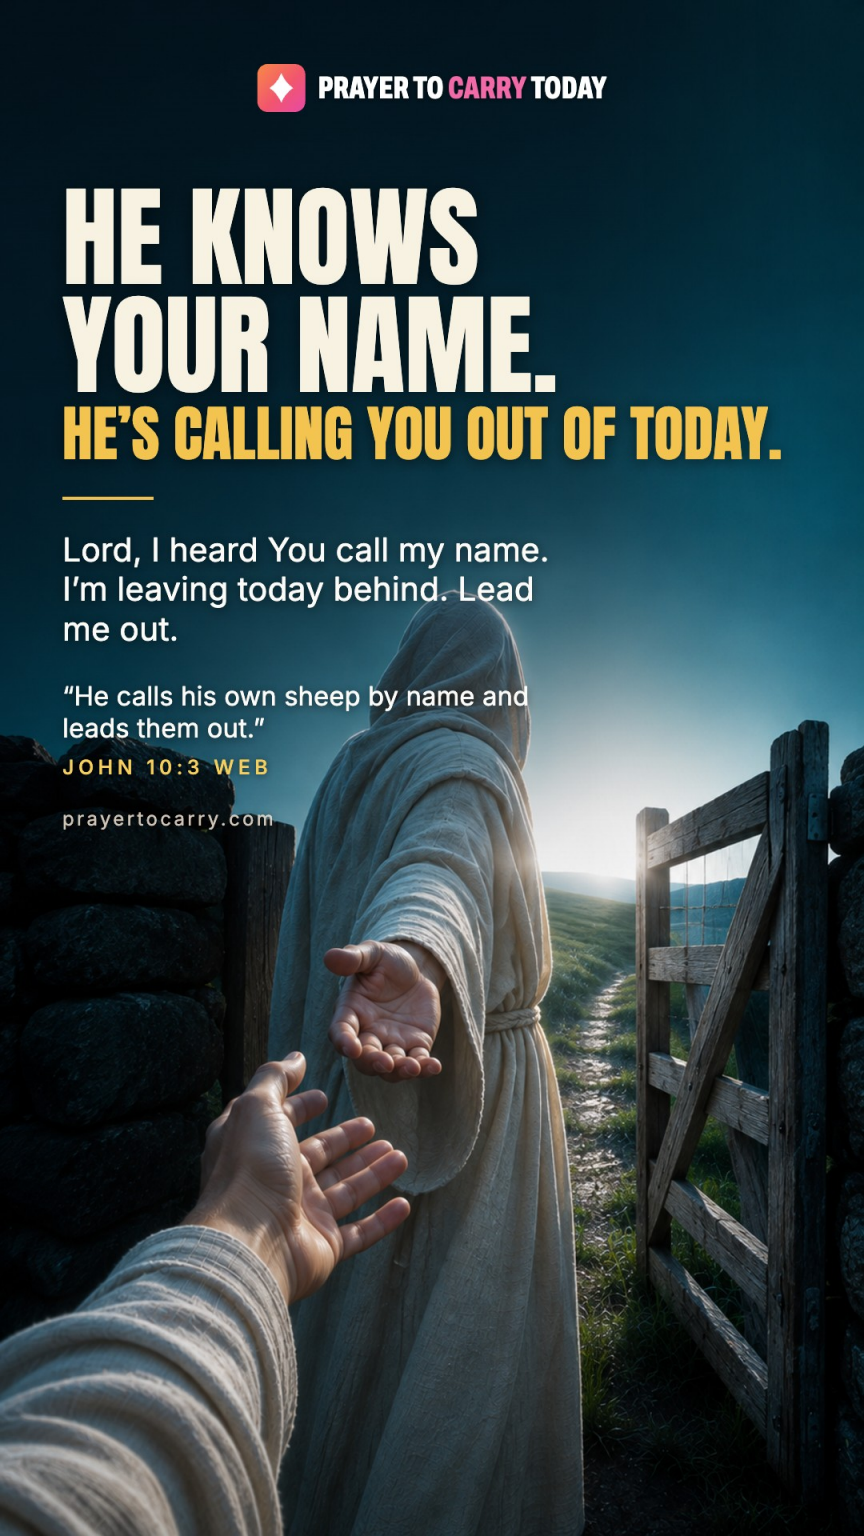

HE'S CALLING YOU OUT OF TODAY.

Lord, I heard You call my name. I'm leaving today behind. Lead me out.

"He calls his own sheep by name and leads them out."

PRAYER TO CARRY TODAY

CALLED BY NAME

Some days you end up feeling like a number. An employee ID, a delivery slot, a parent on duty, a list of tasks with your face on it. By evening it's hard to remember that anyone sees you as you.

Jesus says the shepherd calls his own sheep by name and leads them out. Not a headcount, a name. He knows yours, the way a shepherd knows each one in the fold, and at the end of the day He calls you out of everything you've been carrying.

Tonight, pray with your own name in it: "Lord, it's me," and say it. Tell Him how the day went, then let Him lead you out of it.

JOHN 10:3 (WEB)

A PRAYER FOR TODAY

Lord, today I was a number to almost everyone. You stand at the open gate and call me by name. I'm coming. Lead me out.
